*indicates stand alone tube kit - no additional tube can be added. Prices subject to change

Features

- Our Whisper-Jet technology significantly reduces noise for employee
- Schwank's unique clamshell cabinet design allows for easy maintenance and access
- Lowest fuel cost of any industrial infrared tube heaters with fuel savings of up to 35%
- The 2-stage heating system lowers energy consumption and increases equipment life by reducing on/off cycles
- The burner tile, a patented Schwank development, uses coaxial flow control elements to create a very long, laminar, and axially straight flame.
- Line voltage and 24-volt thermostat ready.
- Flexible system configurations include straight, U-shaped, and L-shaped.
- 5-year replacement warranty on the infrared radiant tube.

ACCESSORIES

PART #	DESCRIPTION	NOTES
HANGING KITS		
JL-0800-XX	#2 LION CHAIN - 200' - 115 LBS WORK LOAD	Calculate number of suspension points + how far from ceiling at each point Suspension points = (Tube length / 10) +2
JL-0800-SH	SAFETY SNAP HOOKS - 2" - 24 PER PACKAGE	
OR		
JL-0800-GR-B	GRIPPLE EXPRESS - SET OF TEN - 10ft Suspension Cable Kit	10' Length kit - 100lb workload - Set of 10
CONTROLS AND RELAYS		
JM-0150-XX	SET BACK STAT - SCHWANK TRU TEMP	Measures true comfort temperature (Ambient + Infrared) /2
JS-0569-WR	24 volt Luminous DIGITAL THERMOSTAT	Standard Ambient 24v stat
JS-0568-CC	THERMOSTAT RELAY 24V	Use 1 Relay Per Heater After the 1st Heater on Each Stat
OTHER OPTIONAL ACCESSORIES		
JS-0532-VC	FRESH AIR INTAKE VENT CAP	Horizontal 4" Wall cap for Fresh air intake
JA-0528-XX	WALL VENT TERMINAL - 4" HORIZONTAL	Horizontal 4" wall cap for Flue Vent termination
JA-0529-XX	WALL VENT TERMINAL - 6" HORIZONTAL	Horizontal 6" wall cap for Flue Vent termination
JA-0514-XX	VENT TEE - 4" X 4" X 6"	Common Vent Box for Two Units (Must share same thermostat)
JS-0508-SM	ELBOW KIT - 90 DEG - SEM & IT	Use 1 Elbow for L-shape configuration & 2 Elbows for 180 U-Bend Configuration
COMMON PARTS		
JA-0567-XX	FENWAL DSI CONTROL 35-615947-227 - 24 VAC - TUBE HEATER	
JA-0571-KT	IGNITOR & GASKET KIT - DSI TUBE HEATER	
JS-0579-AK	KIT - BLOWER & TWO GASKETS - STSp	
JS-0579-ZK	KIT - BLOWER 1/20 HP - 120Vac - 200 MBH / TWO GASKETS	
JL-0701-AA	GAS VALVE - COMB.3.5"W.C. 24 VAC VR8 NG	
JA-0506-XX	GAS VALVE VR8205H1003B NG 3.5"W.C.
